

HLT54115 Diploma of Nursing

CRICOS 095475A

The HLT54115 Diploma of Nursing is a nationally recognised entry-level qualification for Enrolled Nurses (ENs) in Australia. You will graduate with the essential skills and knowledge to work as an Enrolled Nurse across a range of healthcare settings. At Think Education we offer a high-quality education that will bring your talents and abilities to life and empower you with the real-world nursing skills you need for success.

The HLT54115 Diploma of Nursing at Think Education is accredited by the Nursing and Midwifery Board of Australia (NMBA) and is listed as an approved program with the Australian Health Practitioners Regulating Authority (AHPRA). Graduates of the HLT54115 Diploma of Nursing will be eligible to apply for registration as an Enrolled Nurse at AHPRA.

Career outcomes

Enrolled Nurses are in high demand, thanks to our growing and ageing population. As a matter of fact, there are more employment opportunities for nurses in Australia than ever before. As a graduate of the HLT54115 Diploma of Nursing, there are a number of career opportunities available to you as an Enrolled Nurse such as:

- Acute care
- Chronic care
- Aged care
- Individual support
- Disability
- Rehabilitation
- Community
- Mental health
- Primary health
- Health promotion

Intake dates

February, June and September

Duration

Full-time on campus (min. 3 full days per week)

OR

Full-time blended

(min. 1 full day per week on campus, plus online study)

Location

Sydney, Melbourne, Brisbane and Adelaide

Entry requirements

In order to meet our accreditation with the Australian Nursing and Midwifery Accreditation Council, the applicants must meet minimum standards to enter into the HLT54115 Diploma of Nursing.

- Year 12 or equivalent; OR
- An Australian Certificate III in Individual Support or disability work; OR
- For students wanting to apply as a mature age entry, be 21 years of age or older;

And

- Undertake Language, Literacy and Numeracy (LLN) testing from an Australian Government approved provider and demonstrate competency at exit level 3 in the Australian Core Skills Framework (ACSF) in both reading and numeracy;

And

- Provide evidence of meeting at least one of the Nursing and Midwifery Board of Australia (NMBA) English language standards prior to enrolment: nursingmidwiferyboard.gov.au/Registration-Standards/English-language-skills.aspx

Note: Australian students who have successfully completed an Australian Grade 12 certificate with an English subject and students who have undertaken a formal English language skills test (for example, the International Language Testing System) that meets program entry criteria referred to in criterion 6.1a, need only undertake the numeracy component of the LLN test.

All applicants must provide their Unique Student Identifier (USI) at the time of application if they already have one, or authorise Think Education to apply for one on their behalf.
